## 2. BASIS OF CONTRACT

- 2.1 The Contract incorporates these Conditions to the exclusion of any other terms that the Customer seeks to impose or incorporate, whether in the Order or otherwise.
- 2.2 No Quotation shall constitute an offer and any Quotation shall only be valid for a period of 30 days from its date of issue or such other period as may be stated in the Quotation. The supplier may amend or reissue any Quotation at any time before it is incorporated in an Order that is accepted by the Supplier.
- 2.3 The Order constitutes an offer by the Customer to purchase the Goods and, where applicable, the Services in accordance with these Conditions. In issuing the Order the Customer will be deemed to have satisfied itself that the Goods and, where applicable, the Services described in the Specification meet the Customer's requirements.
- 2.4 Subject to clause 2.5, the Order shall only be deemed to be accepted when the Supplier issues a written acceptance of the Order, at which point the Contract shall come into existence.
- 2.5 If the Customer, whether in the Order or otherwise, purports to impose other terms to the exclusion of these Conditions, the Supplier's acceptance of the Order, referencing these Conditions, shall constitute a counter-offer, and the Contract shall come into existence on the Customer's acceptance, whether express or by conduct, of the counter-offer.
- 2.6 In the event of any conflict or inconsistency between the Conditions, the Order, the Quotation or the Specification, the conflict or inconsistency shall be resolved by giving precedence in the following order:

- 4.2 Any dates quoted for delivery are approximate only, and the time of delivery is not of the essence. - 4.3 The Supplier will give the Customer not less than one Business Day's notice that the Goods are ready for delivery.
- 4.4 If, on the expiry of the period referred to in clause 4.3, the Supplier is unable to deliver the Goods to the location referred to in clause 4.1 due to any act or default of the Customer or to Force Majeure:
  - 4.4.1 the Supplier shall store the Goods at the expense of the Customer until delivery takes place;

## **6. COMMISSIONING**

- 6.1 Where the Contract includes commissioning by the Supplier, the Supplier shall notify the Customer of the date of completion of the commissioning, and completion of commissioning will be deemed for all the purposes of the Contract to have occurred on that date, but without prejudice to the Supplier's other liabilities under the Contract in respect of the commissioning.
- 6.2 The Customer shall not make any use of the Goods for commercial purposes unless and until the Supplier has issued a notice of completion of commissioning under clause 6.1.

- 7.1.1 conform in all material respects with their description in the Quotation and the Specification; and
  - 7.1.2 be free from material defects in design, material and workmanship.
- 7.2 The Supplier shall not be liable for any non-compliance with the warranty set out in clause 7.1 in any of the following cases:
- 7.2.1 where the Customer has failed to comply with the appropriate instructions as to storage, commissioning, installation, use, inspection and maintenance of the Goods;
  - 7.2.2 where the non-compliance arises from maltreatment, fire or firefighting equipment, the action of water, any interruption to or fluctuation in power supplies, lack of the correct environmental conditions for the operating of the Goods, or any other extraneous cause;
  - 7.2.3 where the Customer makes any further use of the relevant Goods after a defect has become apparent or, following a repair, before the Supplier has notified the Customer that it may use the relevant Goods;
  - 7.2.4 where the Goods are repaired, altered or rebuilt in any way by persons or companies other than by the Supplier or others authorised and approved by the Supplier; and

- 7.2.5 where the Customer, having discovered or suspected an error in the Goods, neglects to notify the Supplier of the suspected defect, and continues to use the Goods.
- 7.3 Subject to clause 7.2, if some or all of the Goods do not comply with the warranty set out in clause 7.1 and the Customer gives notice of such non-compliance in writing to the Supplier not later than 12 months from the date of delivery, the Supplier shall, at its option, repair or replace the defective Goods, or refund the price of the defective Goods in full provided that:
  - 7.3.1 the Supplier is given a reasonable opportunity of examining such Goods; and
  - 7.3.2 the Customer (if asked to do so by the Supplier) returns such Goods to the Supplier.
- 7.4 Except as provided in this clause 7, the Supplier shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in clause 7.1.

## **8. TITLE AND RISK**

- 8.1 The risk in the Goods shall pass to the Customer when they are delivered by the Supplier to the Customer's vehicle or his premises or otherwise to his order.
- 8.2 Where the Goods are delivered by the Supplier to the Customer's premises, delivery will be effected, and the risk in the Goods shall pass to the Customer, when the Goods are made available for unloading from the Supplier's vehicle or his agent's vehicle. The Customer will be responsible for any damage to the Goods in the process of unloading.
- 8.3 Title to the Goods shall not pass to the Customer until the Supplier receives payment in full (in cash or cleared funds) for the Goods, in which case title to the Goods shall pass at the time of payment.
- 8.4 Until title to the Goods has passed to the Customer, the Customer shall:
  - 8.4.1 not make any use of the Goods for commercial purposes;
  - 8.4.2 store the Goods separately from all other goods held by the Customer so that they remain identifiable as the Supplier's property; and
  - 8.4.3 maintain the Goods in satisfactory condition and keep them insured against all risks for their full value from the date of delivery.
- 8.5 If the Customer breaches its obligations under clause 8.4, the Supplier may enter the Customer's premises and repossess the Goods and only redeliver them on payment of the Price plus the Customer's reasonable costs and expenses of storage and redelivery.

## **10. SERVICES**

- 10.1 The Contract does not include the provision of Services except to the extent expressly set out in the Quotation or the Specification.
- 10.2 To the extent that the Quotation or the Specification includes the provision of Services by the Supplier:
- 10.2.1 the Supplier shall provide the Services using reasonable skill and care;
  - 10.2.2 the Customer shall provide all necessary facilities for the timely provision of the Services, including, as appropriate, site preparation and the making available of sufficient personnel for the purposes of commissioning and staff training;
  - 10.2.3 if the Supplier is unable to provide the Services in the manner contemplated by the Order due to any act or default of the Customer, the Customer will be liable to the Supplier for any additional costs, loss and expense incurred by the Supplier, and the Supplier will be entitled to submit a further invoice or invoices for such costs, loss and expense;
  - 10.2.4 if the Supplier is unable to provide the Services for a period exceeding three months due to any act or default of the Customer, the Supplier will no longer be obliged to provide them, but without affecting or diminishing the Customer's liability to pay for the Services; and
  - 10.2.5 if the Supplier is unable to provide the Services for a period exceeding six months due to Force Majeure, the Supplier will no longer be obliged to provide them, and the Seller will no longer be obliged to pay for them.

## **11. CHANGES TO THE SUPPLY**

- 11.1 The parties may, without vitiating the Contract, agree in writing a change to the nature or quantities of the Goods or the Services to be supplied under the Contract.
- 11.2 Following such a change, an adjustment shall be made to the Price, and to any time period for the delivery of the Goods and, where applicable, for the provision of the Service. Such adjustment shall be as agreed between the parties or, in the absence of such agreement, a reasonable adjustment, having regard to the nature of the change, shall be made.

## **12. PRICE AND PAYMENT**

- 12.1 Unless expressly stated otherwise in the Quotation, the Price does not include the costs of freight and transport, which will be payable by the Customer as an addition to the Price.
- 12.2 The Supplier will be entitled, by giving notice to the Customer at any time before delivery, to adjust the Price to take account of:
- 12.2.1 any deviation by more than 2% in the exchange rate between the euro and the pound between the date of acceptance of the Order by the Supplier and the date of despatch of the goods by the Supplier;
  - 12.2.2 any increase in export and import duties;

- 12.2.3 any other circumstances affecting the cost of supplying the Goods that could not reasonably have been foreseen by the Supplier.
- 12.3 The Price is exclusive of value added tax (**VAT**), which the Customer shall additionally be liable to pay to the Supplier at the prevailing rate on receipt of a valid VAT invoice.
- 12.4 The Price shall become due in the instalments set out in the Quotation or, if none, shall become due in the following instalments:
- 12.4.1 30% of the Price on acceptance of the Order by the Supplier;
- 12.4.2 70% of the Price or, where the Contract includes Services, 65% of the Price on delivery of the Goods; and
- 12.4.3 where the Contract includes Services, 5% of the Price on the later of delivery of the Goods or completion of the Services.
- 12.5 The Supplier may submit an invoice to the Customer for any instalment of the Price or any other payment which becomes due under the Contract, specifying the sum that the Supplier considers to be due on the payment due date and the basis on which it has been calculated. The payment due date for each such payment shall be the date of the Supplier's invoice.
- 12.6 Within 5 days of each payment due date the Customer may give to the Supplier a notice specifying the sum that the Customer considers to be due on the payment due date and the basis on which it has been calculated.
- 12.7 Subject to clause 12.8, the Customer shall on or before the final date for payment stated in clause 12.9 pay to the Supplier, in full and in cleared funds, the amount specified in the Customer's notice in accordance with clause 12.6 or, if no such notice is given, the amount specified in the Supplier's invoice in accordance with clause 12.5.
- 12.8 Not later than five Business Days before the final date for payment stated in clause 12.9, the Customer may give to the Supplier a notice of its intention to pay less than the amount which becomes due under clause 12.7, specifying the sum that the Customer considers to be due on the date the notice is given and the basis on which it has been calculated. In such a case the amount due will be the amount specified in the Customer's notice under clause 12.8.
- 12.9 The final date for payment of any amount which becomes due is 30 days from the payment due date.
- 12.10 Except as provided in clause 12.8, the Customer may not pay less than the amount which becomes due under clause 12.7, whether on account of any right of abatement, set-off, counterclaim or otherwise.
- 12.11 If the Customer fails to make any payment due to the Supplier under the Contract by the final date for payment, then the Customer shall pay interest on the overdue amount at the rate of 4% per annum above HSBC Bank plc's base rate from time to time. Such interest shall accrue on a daily basis from the due date until actual payment of the overdue amount.

## **13. SUSPENSION AND TERMINATION**

- 13.1 Without limiting its other rights or remedies, if the Customer fails to pay any amount due under the Contract by the final date for payment, the Supplier may, by giving seven days' prior notice to the Customer, suspend the performance of its obligations under the Contract. In such a case, any time period for the performance of the Supplier's obligations under the Contract will be extended by a period corresponding to the length of the extension, and the Customer will be liable to the Supplier for any additional costs, loss and expense incurred by the Supplier as a result of the suspension.

- 13.4 Following any termination of the Contract under clause 13.2, to the extent that the Goods have not been delivered to the Customer before the date of termination:
- 13.4.1 the Supplier will be under no further obligation to supply them;
  - 13.4.2 where the Supplier, without being obliged to do so, is able to sell or put the Goods to alternative use, it shall give credit to the Customer for the sums realised as a result of such sale or use, less any administrative costs incurred in respect of such sale or use; and
  - 13.4.3 where the Goods have not been brought into existence, the Supplier shall give credit to the Customer for any amounts which the Supplier would have incurred in supplying the Goods but has not incurred due to the termination.
- 13.5 Termination of the Contract shall not affect any of the parties' rights and remedies that have accrued as at termination, including the right to claim damages in respect of any breach of the Contract that existed at or before the date of termination.

#### **14. INTELLECTUAL PROPERTY**

- 14.1 The Supplier shall remain the owner of the Intellectual Property Rights in the Documentation, but the Supplier grants to the Customer an exclusive, royalty-free licence to use the Documentation in connection with the use of the Goods for the purposes of the Customer's business.

## **16. LIMITATION OF LIABILITY**

- 16.1 Except for death or personal injury caused by the negligence of the Supplier, its employees, agents or subcontractors, and for any other matter in respect of which it would be unlawful for the Supplier to exclude or restrict liability:
  - 16.1.1 the Supplier shall have no liability whatever to the Customer, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, for any loss of profit, or any indirect or consequential loss arising under or in connection with the Contract; and
  - 16.1.2 the Supplier's total liability to the Customer in respect of all other losses arising under or in connection with the Contract, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall in no circumstances exceed 100% of the Price.

## **17. FORCE MAJEURE**

Neither party shall be in breach of the Contract nor liable for delay in performing, or failure to perform, any of its obligations under the Contract if such delay or failure result from Force Majeure. - 18.4 The adjudicator will determine the matters in dispute in accordance with the law and the terms of the Contract, applying the normal standards of proof applicable to civil disputes.
- 18.5 As soon as possible after reaching his decision, the adjudicator will provide each party with a copy of his decision, supported by reasons.
- 18.6 The adjudication and all matters arising in the course of the adjudication, must be kept confidential by the parties, except as may be properly required for the purpose of obtaining legal or professional advice or for the purpose of any subsequent court or arbitration proceedings.
- 18.7 In any reference to adjudication each party will bear its own costs.

18.8 Clause 18 will apply whether or not the Contract is a “construction contract” within the meaning of Part II of the Housing Grants, Construction and Regeneration Act 1996.

## **19. ASSIGNMENT AND OTHER DEALINGS**

19.1.1 The Supplier may at any time assign, transfer, mortgage, charge or deal in any other manner with the benefit of any or all monies due or to become due under the Contract.

20.1.2 Each party agrees that it shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in the documents forming the Contract. Each party agrees that it shall have no claim for innocent or negligent misrepresentation based on any statement in the documents forming the Contract.

## **21. VARIATION**

No variation of the Contract shall be effective unless it is in writing and signed by the parties (or their authorised representatives). A change to the supply in accordance with clause 11 is not a variation of the Contract.

## **22. SEVERANCE**

If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this clause shall not affect the validity and enforceability of the rest of the Contract.
